Phone Number: 806-632-0246 Email Address: Crowner@ccddrs.net

I am a retired NRCS Agronomist and have been working as a Technical Service Provider for USDA since 2002. Part of my work was to plan and complete 251 CRP contracts for CRP-29. I invoiced the service at the Contracting section for NRCS in Temple TX on July 5. The invoice was received and sent to the National Finance Center on July 12. I have not been paid for this
